FaceMan has released three full length albums. FaceMan is known for their unique/energetic live performances and a soulful indie rock sound.

## FULL VERSION

FaceMan is a rock trio from Denver, Colorado. FaceMan was formed in 2009 and is made up of Steve ("Faceman") - guitar/vocals, David Thomas Bailey - 7 string guitar, and Dean Hirschfield - drums. FaceMan has published three full length albums and is currently working on a fourth full length album. FaceMan tours nationally and is known for creative live shows and collaboration with other musicians such as The Dirty Dozen Brass Band, Rebirth Brass Band, and many others. FaceMan has a unique, soulful, indie rock sound that has been explained as a blend between Lou Reed, Modest Mouse, and Neil Young.
